A bid bond, or certified check or cashier's check in lieu of a bid bond, made payable to the Calhoun County Commission, in the amount of \$5,000.00 must be submitted (enclosed) with the sealed bid. FAILURE TO SUBMIT A BID BOND OR CERTIFIED CHECK IN LIEU OF A BID BOND, AS HEREIN REQUIRED, MAY CAUSE YOUR BID TO BE REJECTED. IF A BIDDER SUBMITS A BID BOND AND THE BID BOND IS NOT EXECUTED BY THE PRINCIPAL AND THE SURETY THE BIDDER'S BID MAY BE REJECTED.

There are approximately 250 County vehicles, per Exhibit B. Please note that Exhibit B may not be all inclusive. The County may add or delete vehicles from its list during the term of this agreement at the discretion of the County. All vehicles added to the contract shall be offered the same bid prices as in the original bid.

If you are able to provide Body/Collision Repairs to heavy equipment, more particularly defined as 550 Series trucks (2 ton trucks) and above, and the cost will differ from all other body/collision repairs, please add an additional line to the "schedule of fees" and provide the price difference on your bidder's response.

The successful bidder(s) shall perform routine body/collision repair services on County vehicles to include sedans, light duty trucks, sports utility vehicles, and vans on an as-needed basis for certain services as shown on the Schedule of Fees attached as Exhibit C. **The County will not pre-pay for needed repair parts.**

Notwithstanding anything else herein provided, the County reserves the right to perform services with County personnel, labor, materials, and/or services as herein requested, solely at its discretion if, in Calhoun County's judgement, the best interest of Calhoun County and the Calhoun County Commission will thereby be protected and/or served.

The contract award, if any, will be for a one year period, commencing upon award, with options for County to extend the contract for up to two (2) additional one (1) year periods. This contract, if awarded, may be canceled for convenience, at any time during the contract period by County, by giving thirty (30) days written notice to the successful bidder. The contract, if awarded, may, at the County's discretion, be terminated immediately by the County, if unsatisfactory services are provided.

If the County and selected bidder exercise an option to renew the contract for services as herein stated for a second and/or third year, the selected bidder may, in the event of the rising or increased cost of an item for which his, her or its bid was selected, request an increase in the amount he, she or it is to be paid for the item, the amount of increase to be adequate to compensate the selected bidder for the actual increase in cost to the selected bidder, but in no greater amount; in the event of such a request, the selected bidder, requesting the increase, must submit to the Calhoun County Commission for consideration documentation, certified under penalties of perjury to be true and correct by a duly authorized officer of the selected bidder, supporting the increase; the findings and judgment of the Calhoun County Commission as to whether the increase is justified and warranted and to be granted or not shall be final.
